

January 6, 2025

Dear Customers,

Happy New Year!

It is a bittersweet time for us here at EMS because as of January 31, 2025, Carla and Don Boyer will be retiring after 43 years. They have worked together with some of you for your entire career. We know that you will miss them, as we will.

Going forward, Fern Ashworth and Hermann Spree, who have each been with EMS for over twenty years, will continue to provide you with your printed music needs, along with information regarding rental materials and music edition options. Some of you may have noticed that Fern and Hermann have been processing your orders over the last three months. If you didn't notice, it should reassure you that you will continue to enjoy the same great service from EMS that you have come to expect.

We wish Don and Carla all the best on their retirement and hope that it will be a relaxing and exciting time for them. I know that they join me in wishing you all success in your future endeavors. You will be in good hands with Fern and Hermann. As always, let us know how we can be of service and, by all means, let us know if there so anything we can do to help. We thank you for your continued loyal support for EMS.

Sincerely,
Martha Ling
CEO. EMS

Hermann Spree is a composer, music educator, piano teacher and author. He joined EMS in 2004.
